

## QUALITY POLICY

### Quality Statement

Our commitment to quality is founded on our core company vision, mission and values:

Our vision is to: **Think beyond the square**

Our Mission is to: Reduce the impact on the environment of our Client's actions by providing innovative solutions, challenging perceived thinking, and pushing the boundaries of achievement whilst using all resources in a sustainable way.

Our Quality-based Values are:

- To work fast while being accurate
- To exceed our client's expectations
- To always excel
- To keep learning

### Commitment to quality and continual improvement

We are committed to:

- Continually monitoring and maintaining the quality of our services and outcomes in accordance with ISO 9001:2015
- Continually improving the quality of our services by maintaining appropriately qualified, accredited, and skilled staff
- Ensuring that all suppliers and subcontractors to dsquared comply with our quality requirements
- Seeking continual improvement of our quality standards via regular reviews, seeking feedback from our Clients, and verification and assessment by an ISO 9001 accredited third party
- Reviewing, improving, and updating our Quality Policy and Quality Management System annually
- Sharing our quality-based learning outcomes with our Clients, suppliers and industry
